

Senior Project Architect at Khab Architects

Location: Adelaide, South Australia

Job Type: Part Time | On-Site

Salary: \$90,000 - \$110,000

Apply Before: 20/02/26

Khab is seeking an experienced project architect to join us in our small, values-driven practice. We work on a range of project types, with the majority being residential - from bespoke through to social and disability housing. This position is perfect for someone looking for variety and agency in their role, for *feet on the ground* experience, and for work-week flexibility. The role requires a well-rounded architect to manage and to contribute to projects in all stages from concept through to documentation and contract administration.

About the You and the Role:

- Projects from concept through to completion
- Act as day-to-day lead on assigned projects, including client and consultant coordination
- Mentor and manage architectural graduates
- Work closely with the Directors at key moments of design, risk, and decision-making
- Contribute to the ongoing evolution of the practice as it grows
- Australian work rights are required with unrestricted entitlement to work in Australia
- 7+ years of architectural experience is required for this senior position
- Architectural registration mandatory
- 5+ years of residential (or similar scale) projects experience with demonstrated end-to-end project leadership
- Proficient in Revit
- Strong in design judgement, technical resolution, and documentation ability
- Comfortable navigating tension between concept and delivery without dilution
- You enjoy leading projects end-to-end and taking ownership for outcomes

Why Khab:

- We are not elitist architects.... We value good design and have won awards but we value people, relationships, and practicality at the same time
- We work in a beautiful space and we maintain a healthy work/life balance.
- Direct access to the Director and real decision-making authority
- A considered, sustainable approach to practice, growth, and delivery

This role exists to:

- Contribute further to the Khab team
- Remove delivery pressure from the Directors
- Provide consistent senior leadership across projects including review and markup of other's work.
- Ensure design intent is carried through planning, documentation, and construction

Full-time negotiable

To apply, please email your CV to office@khab.com.au attn: Adam Brown. The application period will close Friday February 20th at 4pm.
